

**PONTIAC YACHT CLUB  
ADULT SAILING INSTRUCTION PROGRAM**

**Learn to sail on 19ft. Lightning boats with experienced instructors on the waters of Cass Lake. Tuesday evenings June 10th through July 29th, 6-9 P.M. Cost: \$225/person**

Each evening there will be a ground school with topics planned to move progressively from assuming absolutely nothing about students' skills to a point where people will feel confident sailing small boats.

The Pontiac Yacht Club is convenient to the Western Suburbs of Metro Detroit, and provides an attractive, safe environment for learning to sail. The boats are strong and safe. If you are coming from work you may change clothes in our restrooms and put your sandwich in our fridge or eat during the ground school. Each student must bring and wear a personal flotation device (life jacket) and, for comfort, bring foul weather gear. We do not sail in storms but can occasionally find ourselves out in the rain.

P.Y.C. is located on Orchard Lake Road at the intersection of Ward's Point Drive. There is a sharp bend in the street at a traffic light. From the south, the landmark is a bend to the right, beyond Commerce Road and the tri-city firehouse. From the north it is at a bend to the left beyond Telegraph, Middlebelt and Cass Lake Road.
